REMARKS

1. This paper is responsive to the Office Action mailed October 21, 2002.
Reconsideration and further examination is respectfully requested. No claims have
been amended. Claims 1-7 and 14-22 have been cancelled. Claims 8-13 remain. No
new matter has been added.
2. The specification was objected to because of an informality in paragraph 12. This
paper amends the specification to correct this informality. No new matter has been
added.
3. Claims 1-7 and 14-22 were rejected for various reasons under 35 U.S.C. §112, §102,
and §103. Claims 8-13 were allowed. The application has been amended to remove
the rejected claims leaving only the allowed claims. The rejected claims will likely
be pursued in a divisional application. Accordingly, this application is considered in
condition for allowance and such action is earnestly solicited.
